

Newsletter October 2009

Dear customer,

The SPS/IPC/Drives is just around the corner and in this newsletter we wish to show you what is new from us.

ROTEK and SPG are again exhibiting together at the SPS/IPC/Drives in Nuremberg

You can find ROTEK and the Korean manufacturer SPG sharing a joint stand once again at the SPS/IPC/Drives from 24th-26th November 2009.

**SPS/IPC/DRIVES/
Electric
Automation
Systems and Components
Exhibition & Conference
24 – 26 Nov. 2009
Nuremberg**

At ROTEK the focus will be on the ROSYNC range of motors which have been nominated for the Automation Award. In addition we will also be exhibiting prototypes of a sensorless BLDC motor based on the current synchronous motors.

SPG will be represented by newly developed worm gears and flat gears with a maximum permitted torque of 50 Nm. They can be combined in diverse ways with the motors of the SPG standard program (AC and DC from 25-90 W). Possible areas of application are pellet heaters and material handling.

You can find us at the SPS/IPC/DRIVES in hall 1, stand 1-530

ROSYNC has been nominated for the Automation Award 2009

The Oscar of the automation industry will be awarded at the SPS/IPC/Drives fair in Nuremberg. Manufacturers can apply with innovative products of their own.

A jury of the VDMA, ZVEI and the editors of the specialist magazine Elektro Automation has nominated ten products for the Automation Award 2009 from a selection of 78 products. We are delighted that Rosync is amongst the top ten. During the trade fair the visitors will be able to choose their favourite from these „Top 10 products“. We are looking forward to the final result.

One clear winner is the environment, as ROSYNC reduces costs, preserves energy resources and makes its contribution to climate protection. The use of lots of small energy-efficient motors can also have a large impact.

Entrance voucher to SPS/IPC/Drives

Would you like to receive a voucher from us for a free visit to the SPS/IPC/Drives fair?

Then go to www.mesago.de/sps, Navigation: "Entrance tickets" and register stating the online registration number 090632417. Your personal ticket for all three days of SPS/IPC/DRIVES 2009, worth 60.00 EUR, will be sent to you free-of-charge.

Please visit us at our stand at the SPS/IPC/Drives in Nuremberg.
