## REACH Declaration of Compliance

In accordance with Regulation (EC) No. 1907/2006 (REACH)

Dear Sir or Madam,

Rotek GmbH & Co. KG is a manufacturer of complex products consisting of several articles as defined in Article 3(3) of the REACH Regulation. We do not manufacture chemical substances or mixtures and do not import such substances or mixtures from non-EU countries. Where applicable, we act as a downstream user within the meaning of Article 3(13) REACH and are therefore not subject to any registration obligations.

We hereby confirm that our products are designed and manufactured in compliance with Regulation (EC) No. 1907/2006 (REACH).

### Information pursuant to Article 33 REACH (SVHC)

In accordance with Article 33(1) of the REACH Regulation, we hereby inform you that certain articles used in our products contain substances included in the current ECHA Candidate List of Substances of Very High Concern (SVHC) in a concentration exceeding 0.1 % by weight (w/w).

Based on the declarations provided by our suppliers, the following substances are concerned:

#### 1. Lead

CAS-Nr.: 7439-92-1

Lead is present as an alloying element in certain metallic articles, in particular:

- sintered bearings,
- gearbox components,
- screws and fasteners made of free-cutting steel,
- brass components,
- electrical connectors and contact materials.

The lead content in these articles exceeds the threshold of 0.1 % by weight (w/w).

#### 2. Triphenyl phosphate

CAS-Nr.: 115-86-6

Triphenyl phosphate is present in certain PVC-based cable grommets in a concentration exceeding 0.1 % by weight (w/w).

## REACH Declaration of Compliance

in accordance with Regulation (EC) No. 1907/2006 (REACH)

### Safe use information

The substances listed above are firmly bound within the material structure of the respective articles. Under normal and intended conditions of use, no relevant exposure of humans or the environment is expected. Therefore, no additional safe-use instructions are required.

### SCIP notification

For articles containing substances of very high concern (SVHC) above 0.1 % by weight (w/w), the relevant notifications to the ECHA SCIP database are carried out where applicable, in accordance with the requirements of Directive (EU) 2008/98/EC.

If you have any questions, please feel free to contact us.

Kind regards,
