RoHS Declaration of Compliance

in accordance with Directive 2011/65/EU (RoHS II)
including Commission Delegated Directive (EU) 2015/863

Dear Sir or Madam,

We hereby declare that the products placed on the market by our company comply with the requirements of Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances (RoHS II), as well as Commission Delegated Directive (EU) 2015/863.

The directive restricts the use of the following substances in homogeneous materials above the respective maximum concentration values:

- Lead (Pb): 0.1 %
- Mercury (Hg): 0.1 %
- Cadmium (Cd): 0.01 %
- Hexavalent chromium (Cr VI): 0.1 %
- Polybrominated biphenyls (PBB): 0.1 %
- Polybrominated diphenyl ethers (PBDE): 0.1 %
- Bis(2-ethylhexyl) phthalate (DEHP): 0.1 %
- Benzyl butyl phthalate (BBP): 0.1 %
- Dibutyl phthalate (DBP): 0.1 %
- Diisobutyl phthalate (DIBP): 0.1 %

The assessment of conformity is based on the information and declarations provided by our suppliers.

Where lead is present as an alloying element in individual components and the concentration exceeds the limit value of 0.1 %, such use is in compliance with the exemptions 6a, 6b and 6c of Annex III to Directive 2011/65/EU applicable at the time the products are placed on the market.

On this basis, we confirm the RoHS conformity of the products placed on the market by our company.

If you have any questions, please feel free to contact us.

Kind regards,

ROTEK GMBH & CO. KG
